

REPORT OF THE CITY FORESTER

For Approving Plans and Specifications and Assessing Improvement Costs for:

Installation of Spring 2022 Street Trees

Filed in the Office of the City Forester: February 08, 2022

Filed in the City Clerks Office:

To the Mayor and the Common Council:

The Common Council having ordained that the full cost, including inspection and supervision, of the initial installation of street trees shall be assessed to the abutting properties and that assessment for street trees shall be in accordance with Section 66.62 of the Wisconsin Statutes and Section 10.10 of the Madison General Ordinances, has directed that when the City Forester proposes the installation of street trees assessed to the abutting properties, he shall prepare a report listing the street trees to be planted, their location and schedule of assessments.

Now, therefore, in compliance with said instruction, the City Forester reports as follows:

1. That street trees are proposed to be installed and assessed to abutting properties listed on Exhibit "A", attached hereto, said listing including the type of street trees to be planted, their location and a schedule of assessments.
2. That pursuant to such listing, the entire cost of the work improvements will be \$162820.00
3. After having carefully viewed and examined the entire territory and the said several parcels of land or real estate affected by said improvement, and having first viewed, examined and considered severally and separately each parcel of real estate in said territory, the City Forester has found and determined and does hereby so find and determine that the City of Madison should pay the sum of \$0.00 as the cost properly chargeable to the City and covered by said improvement.
