Re: Certificate of Appropriateness for 409 S Few Street

At its meeting on September 16, 2019, the Landmarks Commission reviewed, in accordance with the provisions of the Historic Preservation Ordinance, your plans to alter the exterior of the structure located at 409 S Few Street in the Third Lake Ridge historic district. The Commission approved a Certificate of Appropriateness to install a metal wall sign above the storefront with the conditions that all fasteners for the sign be stainless steel and be installed in the mortar joints of the wall, not in the brick.

This letter will serve as the "Certificate of Appropriateness" for the project described above. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, 215 Martin Luther King Jr Blvd, Suite 017.

Please note that any scope of work or design changes from the alterations approved herein must receive approval by the Landmarks Commission, or staff designee, prior to commencing with the work. This Certificate is valid for 24 months from the date of issuance.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$500 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Chapter 41, Historic Preservation Ordinance).

Please contact me at 608-266-6552 or landmarkscommission@cityofmadison.com with any questions.

Sincerely,

Heather L. Bailey, Ph.D.
