PARK COMMISSIONERS**

Section I. **AUTHORITY.**

A. Rules of Procedure and Basic Policies.

These Rules of Procedure and Basic Policies (“Policies”) are hereby established as required by MGO Sec. 33.05(3). These Policies govern the operation of the Board of Park Commissioners (referred to interchangeably in these Policies as the “Board”, “the Commission” and “the Park Commission”) in accordance with MGO Secs. 33.01(9)(b) and 33.05(3). These rules are effective as of _____, 2023. These rules may be amended from time to time by the Board.

B. The Board’s Statutory Authority.

The Board has unique powers, compared to other City Boards, Committees and Commissions, over the City’s parks. Under Wis. Stat. Sec. 27.08(2), the Board of Park Commissioners (Park Commission) is specifically empowered and directed to do the following:

1. To govern, manage, control, improve and care for all public parks, parkways, boulevards and pleasure drives located within, or partly within and partly without, the corporate limits of the city, and secure the quiet, orderly and suitable use and enjoyment thereof by the people; also to adopt rules and regulations to promote those purposes.
2. To acquire in the name of the city for park, parkway, boulevard or pleasure drive purposes by gift, devise, bequest or condemnation, either absolutely or in trust, money, real or personal property or any incorporeal right or privilege. Gifts to any city of money or other property, real or personal, either absolutely or in trust, for park, parkway, boulevard or pleasure drive purposes shall be accepted only after they shall have been recommended by the board to the common council and approved by said council by resolution.
3. Subject to the approval of the common council to buy or lease lands in the name of the city for park, parkway, boulevard or pleasure drive purposes within or without the city and, with the approval of the common council, to sell or exchange property no longer required for its purposes. Every city is authorized, upon recommendation of its officers, board or body having the control and management of its public parks, to acquire by condemnation in the name of the city such lands . . . as it may need for public parks, parkways, boulevards and pleasure drives. . . .

C. Ordinance Authority.

In addition to the powers conferred by Wis. Stat. Sec. 27.08, and recognized by Madison General Ordinances (MGO) Sec. 33.05(1), the Board has the following powers under the City’s Ordinances: the Board oversees numerous park use related permits as provided MGO Chapter 8; the Board serves as an appeal body for certain determinations of the Park Superintendent or City Forester (e.g., suspension or revocation of certain licenses under MGO Sec. 33.05(4), denial of permits under MGO Sec. 8.33 and 10.101); and the Board grants permits relating to the planting, pruning and removal of trees in the right-of-way (MGO Secs. 23.21 and 23.22).

D. Other Authority.

1. The City Forester is subject to the supervision and control of the Board under Wis. Stat. Sec. 27.09(1), although by ordinance the Forester is also subject to the supervision and control of the Streets Superintendent and the Board of Public Works.

2. The Board has been tasked with the management and control of the City-owned Forest Hill Cemetery under Sec. 8.11 and, pursuant to Wis. Stat. Sec. 157.11, is tasked with making regulations for the management and care of the Cemetery.
3. The Board has been tasked with management, control, and care of the City-owned Golf Courses, including Odana Hills, Yahara Hills and Monona Golf Courses and The Glen Golf Park.
