I wholeheartedly support the FayaSyde's application for an entertainment license. I live and own property around the corner and one short block from the proposed FayaSyde restaurant and bar, close enough to have received a postcard notice of this hearing. I heard the applicants' presentation to the Vilas Neighborhood Association about their proposed business and read the newspaper interview and article about them and was favorably impressed. They have done a good job of planning to avoid any potential disruption to the neighborhood. I believe their enterprise will be an asset to the neighborhood, adding to the variety of restaurant options available on Monroe Street and helping it to become more of a restaurant destination. Thank you.
