## Dane County and City of Madison aim to keep beaches from closing due to algae and E. coli

Lake contaminants can cause closures, which prevents families from enjoying free public beaches

## Sneak preview: The reimagined golf course and community event space opens today

Doug Moe golfs nine early holes with benefactor Michael Keiser at The Glen Golf Park, which reopened to the public July 1.

# Feature Story: Vilas Park Drive

Vilas Park Drive reconfiguration is complete. Lanes are clearly marked. Take a stroll or pedal through to see the changes. Remember if you're headed to the shelter by motor vehicle to enter from the east, or N. Wingra. #vilaspark 📍: S. Mayer
