

Cypress Spray Park Proposal Summary

Proposed by Carrie Fonder

Concept Overview

- The piece will be informed by a collaboration with the children of the neighborhood via a visiting artist day at the elementary school.
- During the visiting artist day children would write text celebrating the park and the neighborhood, which would be included on the fence.
- Children could choose to pose for silhouettes to be included on the fence.
- Proposal additionally includes signage for both gates.

Material overview

- Laser cut Aluminum
- Stainless steel fasteners
