

Letter of Intent

To Whom It May Concern:

Caspian Grill is Mediterranean food Restaurant was open in 9/19/2019: due to an expansion we just open a second location 'Caspian Grill ' located on 610 Junction Rd Madison WI 53717.

Because of the size of the location and higher rent, in order to bring more business we applied for an Entertainment License that got approved by the ALRC on 12/3/2022. Now we are in the process to obtain a Conditional Use permit, then way Zoning could sign the license.

Caspian Grill is Family Restaurant, and we would like to offer live music and special events to be able to bring more traffic to the new store.

The current capacity/number of occupants approved for 250 people and we are going to maintain that number.

We will consider volume and times when bringing performers.

Our current hours of operations are:

Monday to Thursday 11am-10pm

Friday and Saturday 11am-2 am

Sunday 12pm -4pm

Thank you for your time and consideration.

Emin Buzhunashvili.
