

TNS Worksheet

Key Improvement Area:

Policy/Procedural Considerations:

Within this area, where are the biggest policy/procedural leverage points?

What other factors within the system influence this improvement area?

Are there barriers or gaps between the decision point and the implementation? What are they and how can they be addressed?

Creative Idea Generation:

Reflecting on what we've done so far; the vision, key improvement areas and policy/procedural considerations, list ideas for action and investment to reach sustainability.
