Dear Mayor and Alders,

What date was the Welch Group hired? And is it on the agenda tonight out of facade and formality?

I think we do need a lobbying firm to go to the State, as the mayor and her office has failed to do so and we need sustainable solutions requiring approval from the State.

But I want to know, what date was the Welch Group hired? And why is there no attempt to have had a fair dialogue/discussion/debate about this before it happened?

I request an answer from whomever knows and if that is none of you, please let me know who can answer my question.

Thank you,

Bonnie
