

Subject: RE: ALRC - 21+ Entertainment License application for 08/17/2011 meeting - Erin's Snug Pub

Dear Tom,

Jerry Waller contacted me and we discussed the entertainment license application for Erin's. I told him that I have no problem with the application as long as he complies with the recommendations of the MPD and the ALRC.

Please pass this on to the ALRC .

Thanks,

Joe Clausius
