

Conditions for Madison Radicals, a professional Ultimate team in the American Ultimate Disc League, requesting the use of Breese Stevens Stadium for 8 – 10 ultimate disc games, April 20 – August 3, 2013.

Proposal includes the selling of beer at the stadium during games.

Parks Staff recommends approval, based on the organizer’s agreement to the following conditions:

1. Aldermanic notification. (Alder. Bridget Maniaci, [district2@cityofmadison.com](mailto:district2@cityofmadison.com))
2. Madison Radicals will hold a site plan meeting early in the season with Craig Klinke, East Parks Supervisor; and Tom Tierman, Breese Stevens Caretaker; and agree to any and all site recommendations they may make.
3. This group will provide the City with a certificate of insurance, covering these games, including liquor liability, and naming the City of Madison as “additional insured.”
4. This group will provide a \$3,000 damage deposit before the first game, and will be responsible for any and all actual field renovation costs which may result from these games. The deposit will be returned at the end of the season if the stadium and field have been left in good condition.
5. Amplification will end no later than 10pm each evening, and will be kept to a reasonable level throughout each game.
6. Madison Radicals will provide a complete and detailed plan for beer sales, including provisions for safety and security, before the first game.
7. This group will be responsible for complete clean-up of the stadium immediately at the end of each game.
8. Games will be postponed or cancelled in case of bad weather that would damage the field or be dangerous to players and spectators.
9. This group understands that local high schools have priority scheduling for soccer at the stadium in April and May.
10. Fees will be paid promptly at the end of the season.
