RE: Approval of a Conditional Use to establish a private parking facility at **665 East Washington Avenue**

Dear Mr. Saiki:

At its August 24, 2015 meeting, the Plan Commission, meeting in regular session, approved your client's request to establish a private parking facility at 665 East Washington Avenue. In order to receive final approval of the conditional use and for permits to be issued, the following conditions must be met:

Please contact Brenda Stanley, Engineering Division at 266-4537 if you have questions regarding the following twelve (12) items:

1. This site is being considered previously developed and as such a redevelopment site for the purposes of complying with the stormwater management requirements.
2. The applicant shall close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass. (POLICY)
3. This project falls in the area subject to increased erosion control enforcement as authorized by the fact that it is in the ROCK RIVER TMDL ZONE and by Resolution 14-00043 passed by the City of Madison Common Council on 1/21/2014. You will be expected to meet a higher standard of erosion control than the minimum standards set by the WDNR.
4. The applicant shall demonstrate compliance with Section 37.07 and 37.08 of the Madison General Ordinances regarding permissible soil loss rates. The erosion control plan shall include Universal Soil Loss Equation (USLE) computations for the construction period. Measures shall be implemented in order to maintain a soil loss rate below 5.0 tons per acre per year.
5. For Commercial sites < 1 acre in disturbance the City of Madison is an approved agent of the Department of Commerce and WDNR. As this project is on a site with disturbance area less than one (1) acres, and contains a commercial building, the City of Madison is authorized to review infiltration, stormwater management, and erosion control on behalf of the Department of Commerce. No separate submittal to Commerce or the WDNR is required. (NOTIFICATION)

6. Prior to approval, this project shall comply with Chapter 37 of the Madison General Ordinances regarding stormwater management. Specifically, this development is required to Reduce TSS by 80% off of the proposed development when compared with the existing site.
7. The Applicant shall submit, prior to plan sign-off, a digital CAD file (single file) to the Engineering Division (storm/sanitary section). The digital CAD file shall be to scale and represent final construction. The CAD file shall be in a designated coordinate system (preferably Dane County WISCRS, US Ft). The single CAD file submittal can be either AutoCAD (dwg) Version 2013 or older, MicroStation (dgn) V8i Select Series 3 or older, or Universal (dxf) format and shall contain the only the following data, each on a separate layer name/level number:

- a) Building Footprints
- b) Internal Walkway Areas
- c) Internal Site Parking Areas
- d) Other Miscellaneous Impervious Areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.)
- e) Right-of-Way lines (public and private)
- f) Plat name and lot lines (metes & bounds parcel lines if unplatted)
- g) Platted lot numbers (noted "unplatted lands" if not platted)
- h) Lot/Plat property dimensions
- i) Street names
- j) Private on-site sanitary sewer utilities (including all connections to public sanitary)
- k) Private on-site storm sewer utilities (including all connections to public storm)

THE CAD FILE WILL ONLY BE REQUIRED PRIOR TO FINAL PLAN REVIEW SO THAT MULTIPLE FILES DO NOT NEED TO BE SUPPLIED OR REVIEWED.

8. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals shall contain the following information: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) lot lines and right-of-way lines, e) Street names, f) Stormwater Management Facilities, and g) detail drawings associated with stormwater management facilities (including if applicable planting plans).
9. The applicant shall submit prior to plan sign-off, electronic copies of any Stormwater Management Files Including: a) SLAMM DAT files, b) RECARGA files, c) TR-55/HYDROCAD/Etc...d) Sediment loading calculations. If calculations are done by hand or are not available electronically the hand copies or printed output shall be scanned to a PDF file and provided. (POLICY and MGO 37.09(2))
10. The applicant shall obtain a Street Excavation permit for the installation of utilities required to serve this project. The Applicant shall pay the permit fee, inspection fee and street degradation fee as applicable and shall comply with all the conditions of the permit. (MGO 10.05(6)) This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.
11. All outstanding Madison Metropolitan Sewerage District (MMSD) are due and payable prior Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Janet Schmidt (608-261-9688) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff. (MGO 16.23(9)(d)(4))

12. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Tim Troester @ ttroester@cityofmadison.com). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)). PDF submittals shall contain the following information: a) Building footprints; b) Internal walkway areas; c) Internal site parking areas; d) Lot lines and right-of-way lines; and e) Street names.

Please contact Eric Halvorson, Traffic Engineering at 266-6527 if you have questions regarding the following six (6) items:

13. Per MGO 10.08(6)(a)6 The applicant shall design the lot to prevent encroachment onto adjacent land areas. This is typically accomplished with poured concrete six inch (6") minimum height curbing.
14. The existing driveway approach on South Blount Street which is to be abandoned shall be removed and replaced with curb and gutter and noted on the plan.
15. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be scaled to 1" = 20' and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope.
16. The Developer shall post a security deposit prior to the start of development. In the event that modifications need to be made to any City owned and/or maintained traffic signals, street lighting, signing, pavement marking and conduit/handholes, the Developer shall reimburse the City for all associated costs including engineering, labor and materials for both temporary and permanent installations.
17. The City Traffic Engineer may require public signing and marking related to the development; the Developer shall be financially responsible for such signing and marking.
18. All parking facility design shall conform to MGO standards, as set in section 10.08(6).

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at 266-4429 if you have questions regarding the following four (4) items:

19. Provide a calculation for lot coverage. The maximum lot coverage is 85%. Lot coverage is the total area of all paved areas as a percentage of the total area of the lot with the exception of sidewalks or paved paths no wider than five (5) feet.
20. With the final plans, submit the landscape plan and landscape worksheet stamped by the registered landscape architect. Landscape plans for zoning lots greater than 10,000 square feet in size must be prepared by a registered landscape architect.

21. Show that the landscape islands contain a minimum of 75% vegetative cover and mulched with shredded bark, chipped wood or other organic material installed at a minimum depth of two (2) inches.
22. Submit the lighting photometric plan and lighting fixture cut-sheets with the final plan sets.

Please contact my office at 267-1150 if you have questions related to the following condition approved by the Plan Commission, after recommendation by the Urban Design Commission.

23. That this conditional use shall return to the Plan Commission in five (5) years for re-approval consideration should the property continue to be used as a parking lot.

The applicant is also required to satisfy the conditions of approval of the Urban Design Commission prior to the final staff approval of the project and the issuance of building permits. Please contact Al Martin, Urban Design Commission Secretary, at 267-8740 if you have any questions about those conditions.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please revise your plans per the above conditions and submit nine (9) copies of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. This submittal shall all also include one complete digital plan set in PDF format. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This property is not in a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval,

except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.

6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use, demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner

cc: Janet Schmidt, City Engineering Division
Eric Halvorson, Traffic Engineering Division
Bill Sullivan, Fire Department
Patrick Anderson, Zoning

I hereby acknowledge that I understand and will comply with the above conditions of approval for conditional use.
