Item # 10 and 14

I had a meeting with applicant Sean Lee and reviewed these applications. I response to the entertainment license, after talking with Mr. Lee, he has indicated that he no longer desires the 18+ license but rather the 21+ license.

I have no objections to the 21+ license. I do not support the 18+ license.

In response to the change in the alcohol license from a beer/wine to a beer/liquor, I have no objections with the license in combination with the 21+ entertainment license or without an entertainment license.

I do not support the liquor license in combination of the 18+ entertainment license.

I would ask that the standard condition be added that the license meet the conditions of the definition of a restaurant as defined in Wis S.S. 254.61(5) and Madison city ordinance Chapter 38.

Thank you.
