“(25) Inclusionary Housing.

(a) Statement of Purpose. The purpose of this ordinance is to further the availability of the full range of housing choices for families of all income levels in all areas of the City of Madison. A full range of housing options promotes diverse and thriving neighborhoods, schools, and communities. It also aids the recruitment and retention of local businesses and their workforce, which are essential to the economic welfare of the City. This purpose can be accomplished by providing dwelling units for families with annual incomes less than the area median income.

(b) Definitions.

Area Median Income (AMI). The median annual income figures, adjusted for family size, calculated annually by the U.S. Department of Housing and Urban Development (HUD) for the metropolitan area that includes the City of Madison.

Inclusionary Dwelling Unit. A dwelling unit for rent to a family with an annual median income at or below sixty percent (60%) of the Area Median Income (AMI), for sale to a family with an annual median income at or below eighty percent (80%) of the Area Median Income (AMI), or for other residential occupancy for a family with an annual median income at or below sixty percent (60%) of the Area Median Income (AMI).

Initial Sale. The sale of an inclusionary dwelling unit to an income eligible family. An initial sale shall not include a sale of a lot to a builder who intends to construct an inclusionary dwelling unit.

Leased Residential Space Occupancy. Those residential arrangements whereby space in all dwelling units in a building is leased individually to each of the tenants in a dwelling unit.

Market Equity. ~~The increase in value of an inclusionary dwelling unit as determined by the difference between the purchase price and the sale price.~~

Other Residential Occupancy. Those residential arrangements other than rental or owner-occupied, including but not limited to, continuing care contracts, agreements known as 'life leases', 'continuum of care agreements', or any other agreement whereby the resident of a dwelling unit makes some payment other than or in addition to a periodic occupancy payment, but does not obtain fee title to a residential unit.

Paid Equity. The amount of down payment and mortgage principal that the owner of an inclusionary dwelling unit has paid during the period of ownership, except for any amount withdrawn as part of additional financing.

Period of affordability. The time, specified in a recorded deed restriction, land use restriction agreement, and/or ground lease during which a rental or owner-occupied inclusionary dwelling unit shall be rented or sold only to an income eligible family. The period of affordability for rental inclusionary dwelling units begins on the date the certificate of occupancy is issued.

(c) Provision of Inclusionary Dwelling Units.

8. Waiver.

a. b. If a waiver is granted, the requirement to provide inclusionary dwelling units shall be met by providing some or all of the inclusionary dwelling units off-site by assigning the obligation to provide some or all of the inclusionary dwelling units to another person, by making a payment into the Inclusionary Zoning Special Revenue Fund, or any combination of the above.

c. A waiver for providing the inclusionary dwelling units on-site shall be granted for no more dwelling units than is necessary to make the development financially feasible

d. If inclusionary dwelling units are provided off-site, the number of off-site inclusionary dwelling units shall be the difference between the total number of inclusionary dwelling units that are required and the number provided on site or some greater number if the Plan Commission determines that an increased number is financially feasible.

e. ~~Off-site inclusionary dwelling units shall be new construction and shall be located within a one (1) mile radius of the edge of the proposed development, if feasible and plans shall be approved by the Plan Commission based on their consistency with the inclusionary dwelling unit plan and the requirements of the ordinance.~~

j. The Plan Commission may reduce the number of inclusionary dwelling units required for the development if the applicant can establish by clear and convincing financial evidence that it is not financially feasible to provide the required number of inclusionary dwelling units on-site, off-site, by assignment of the obligation, by payment of the required amount into the Inclusionary Zoning Special Revenue Fund, or any combination of the above.

k. The applicant for the waiver and/or reduction in the number of inclusionary dwelling units or the Alderperson of the district in which the development is proposed may appeal the determination on a request for a waiver and/or reduction in the number of inclusionary dwelling units to the Common Council by filing a request with the Secretary of the Plan Commission within twenty (20) days of the determination of the Plan Commission. The Secretary of the Plan Commission or her/his designee shall transmit such appeal to the City Clerk who shall file such appeal with the Common Council. 9. Option to purchase.

a. With the exception of b. below, after the initial sale, all owner-occupied inclusionary dwelling units shall be subject to an exclusive option for the City to purchase the unit. The option to purchase may be assigned by the City to the CDA or a designated non-profit entity. The purchase price to exercise the option shall be the assessment at the time the City receives notice of intent to sell from the owner. The City or assignee has ninety (90) days from the date the City receives written notice of the intent to sell to finalize the purchase of the inclusionary dwelling unit. Within thirty (30) days from the date the City receives written notice of the intent to sell from the owner, the City or assignee shall determine whether or not to exercise the option to purchase. A determination by the City to exercise the option to purchase is not final until a resolution authorizing the purchase of the property is adopted by the Common Council. If the City or assignee declines to exercise the option to purchase, the option to purchase shall expire, unless the owner has not sold the inclusionary dwelling unit within one (1) year from the date on which the City was notified of its right to exercise the option, in which case, the option to purchase shall continue.

b. If the initial sale of an owner-occupied inclusionary dwelling unit is to the CDA or a non-profit entity that has a City-approved buy-back provision or a ground lease as part of its specific program operation, the unit shall not be subject to an exclusive option to purchase by the City until such time as the CDA or non-profit entity determines not to buy back the unit. This provision applies to other residential occupancy inclusionary dwelling units administered by a non-profit. If the non-profit entity has no buy-back provision, the income eligible family that purchases the unit shall be subject to the option requirements in a. above. At that time, the purchase price to exercise the option to purchase and the procedure for exercising or declining to exercise the option shall be as in a. above.

The City or its assignee shall have the right of first refusal that must be exercised within ninety (90) days after the property is listed for sale.
