Subject: Crazylegs Classic - street use permit information

Happy New Year Kelli,
Crazylegs is approaching. I've attached, what I think, you need to be put on the Street Use agenda for a meeting in February.

1. Street use permit application
2. Street use marketing information
3. Street use amplification permit application
4. Route map
5. Staging area
6. Official Crazylegs Classic Race Committee list

The **set up and tear down** for the Crazylegs Classic is taken care of by Lakeshore Athletic Services (Madison office - 1010 Ann St., Madison WI 53713; 608 441-2610 - Ryan Richards)

Safety and security is taken care of with the help of Lt. Dave McCaw from the Madison Police Department, Lt. Jason Whitney from the UW Police Department, Dr. Ryan Wubben from UW Madison. Police are along the route, paramedics and medical staff are also along the route. We also have course marshals staged along the route.

Clean up and recycling is taken care of by high school and adult volunteers. They provide their own trash bags, etc.

I'll put copies of this email along with the check this week.

If there is anything else please let me know. If this looks okay to you I will forward it to Terry, Ryan and Jim.
