Safety & Security Plan

We anticipate numerous health and safety related exhibitors. Many of the people staffing the exhibits are law enforcement and fire/rescue personnel. Several vehicles will be on site with emergency medical equipment for any injuries or medical emergencies that may occur.

Personnel from the Madison Fire Department will be in attendance with radios & cell phones to provide communications in case of an emergency.

Safety Saturday draws a family-friendly crowd and has been very successful every year that we have hosted it. All of the participants enjoy this event and will be reminded to be safe and look out for any unsafe situations.

## STREET USE AMPLIFICATION PERMIT APPLICATION

By Ordinance, public amplification is not allowed at street use events except with approval of the Street Use Staff Commission. Permission for amplification does not exempt a group from Madison Ordinance noise restrictions. Please be considerate of area residents.
