Comments / Questions:

Hello-

I am contacting you to voice my **STRONG SUPPORT** for allowing cyclocross practice session in City of Madison Parks.

The cyclocross community in Madison is growing. The current venue at North East Park is inadequate and a considerable distance from most Madison neighborhoods.

This is a great opportunity for Madison Parks and the cyclocross community to work together to enhance recreation in our parks!

Thanks!

I am writing in support of the use of Madison parks for cyclocross practice. Currently the main area for cyclocross practice is at badger prairie county park, which from the east side of Madison is approximately a 30 mile round trip bike ride. I would love to see a practice space in Madison, specifically on Madison's east side. Heistand Park would be an ideal space for a cyclocross course, as it has mixed terrain, areas of wooded trails and aggressive climbs/descents, it is also some what centrally located. Thank you for your consideration! Kevin Hayes-Birchler
