Dear Members of the BPW,

I am unable to attend your meeting tonight. My apologies. As the alder for the corresponding District, I would like to request that the assessment for University Ave not include assessment of property owners for pedestrian street lights. Fiore Co (Inntowner Hotel) has been assessed an additional \$35,000 for pedestrian street lights and their assessment should be revised to not include the pedestrian street lights. No property owner should be assessed for pedestrian street lights as part of the 2011 construction plans.

Thank you for your service. Respectfully,

Shiva Bidar-Sielaff
District 5 Alder
