Good evening,

I wanted to express my input regarding the selection of the future MPD chief.

I feel John Patterson is the best option. I had the opportunity to have his influence on me personally when I was younger. That was nearly 20 years ago.

For me, the ongoing commitment Officer Patterson has shown to our city, the unknown impact to our citizens and their children, and the great job he has done as active chief should be considered and should make him outshine the other candidates.

Thank you for your time and consideration.
