Creating Sec. 33.33 of the Madison General Ordinances to create the Sister City Collaboration Committee in the MGO's.

Drafted by: Roger Allen

Date: April 27, 2010

SPONSOR: Mayor Cieslewicz & Alder Maniaci

DRAFTER'S ANALYSIS: This committee was originally established by Resolution 12443 on January 6, 2009. Sec. 33.01(4), MGO, states that "Standing Sub-units shall be created and dissolved by ordinance. To the extent some standing Sub-units exist as of the date of passage of this ordinance without authorization by ordinance, the City Attorney shall draft and introduce ordinances to reflect such standing Sub-units." Thus, this committee is being recreated by ordinance. This ordinance also amends the composition of the Committee from that created in the authorizing resolution. The ordinance eliminates two of the Sister Cities from the Sister City Collaboration Committee due to poor attendance of those cities representatives and also because those cities are no longer Sister Cities in their own countries. The committee has been having a very hard time reaching quorum because of this and has had to cancel three meetings this year already. The two Sister Cities that are being removed from this Committee are Managua, Nicaragua and Bac Giang, Vietnam. Removal of these two Sister Cities reduces the Committee membership from 17 to 15 which should facilitate the achievement of a quorum at future meetings.

The Common Council of the City of Madison do hereby ordain as follows:

Sec. 33.33 entitled "Sister City Collaboration Committee" of the Madison General Ordinances is created to read as follows:

"33.33 SISTER CITY COLLABORATION COMMITTEE.

- (2) Membership. The Mayor shall designate one alder and three additional members who are local representatives of humanitarian, cultural and/or educational organizations.
