**File Notes:**

6/8/2012, Inquiry from Mark Moder at City of Madison on whether or not any MMSD fees are due for the property at 633 W. Badger Rd. Records show this is the only property in the area that has never paid MMSD connection fees. Property is connected to the public sewerage system, MMSD connection fees are due at current rates. Parcel area was determined from records on file at City Assessor's office.

Sincerely,
