Transportation Commission:

Regarding item 65355 on your agenda for your meeting of 12/12/21.

As a resident of Sherman Ave (1158). We would like to see a partial closure of Sherman Ave. from Brearly St. to Baldwin street this summer. As the neighborhood is ready to be out and about again, the foot traffic to Tenny Park is particularly high during the summer months seeing an increase of children unattended using the street with bikes, trikes and skate boards, the partial closure has a calming effect without complete restriction on traffic.
