## January 6, 2025 Update

### Quarter 1 2025 Update

The building is substantially complete with the exception of test and balancing of the HVAC system, fire alarm testing, and final lighting installation. The final inspections for occupancy will be scheduled for early February 2025 and the project is expected to be turned over the Parks shortly after. Opening date to be determined. Please look for a further update later in Quarter 1 on opening information.
