Hello,

My name is Caitlin Seifert and I am the president of the Greenbush Neighborhood Association. On behalf of the neighborhood I am submitting a letter voicing our concerns about the proposed Ideal development on Park Street. I request that you please forward the attached letter along to your respective commission members in advance of next Wednesday's meeting which includes the Ideal proposal. Myself or a representative from the Greenbush neighborhood will be present to express our concerns.

Thank you,  
Caitlin
