**Facilities:****Judge Doyle Garage:**

The Judge Doyle public parking garage was advertised for bid on Friday, June 23<sup>rd</sup>, and bids are due by August 4<sup>th</sup>. The Urban Design Commission reconsidered final approval of the project on July 12<sup>th</sup> and granted final approval with several conditions. Most notable in terms of the public parking garage, was a condition related to redesigning the elevator lobbies to provide a greater presence at the sidewalk. The design team is working on a redesign of the elevator lobby areas and pedestrian entrances to meet this condition. Construction is expected to begin in mid-October with completion estimated in late November 2018.

**Smart Meter Trial:**

Installation of the approximately 50 single space smart meters is currently planned for August 9<sup>th</sup> and 10<sup>th</sup>. A press release will be issued upon completion of the installation and testing, once the meters are available for public use.

**Update on Moped Parking Ordinance:**

The Common Council approved the moped parking ordinance change on August 1<sup>st</sup>. The ordinance will go into effect January 1, 2018. Parking Utility and Traffic Engineering staff are beginning to work on the implementation plan, including the conversion of several on-street metered spaces to motorcycle/moped parking, distribution of educational materials to moped dealers, UW students, and other outreach efforts.
