Madison Common Council,

I was granted a liquor license on January 2, 2018 to create Tiny's Tap House located at 308 S. Paterson Street. The 90-day time frame for the issuance of this license ends on April 10, 2018. I am requesting a 6-month extension to allow time for the restoration of the building. You will see the scope of the project in the attached building plans.

Please allow us an additional 6-month period to do a proper job of this restoration. I am confident that our improvements will be complete by October 10, 2018.

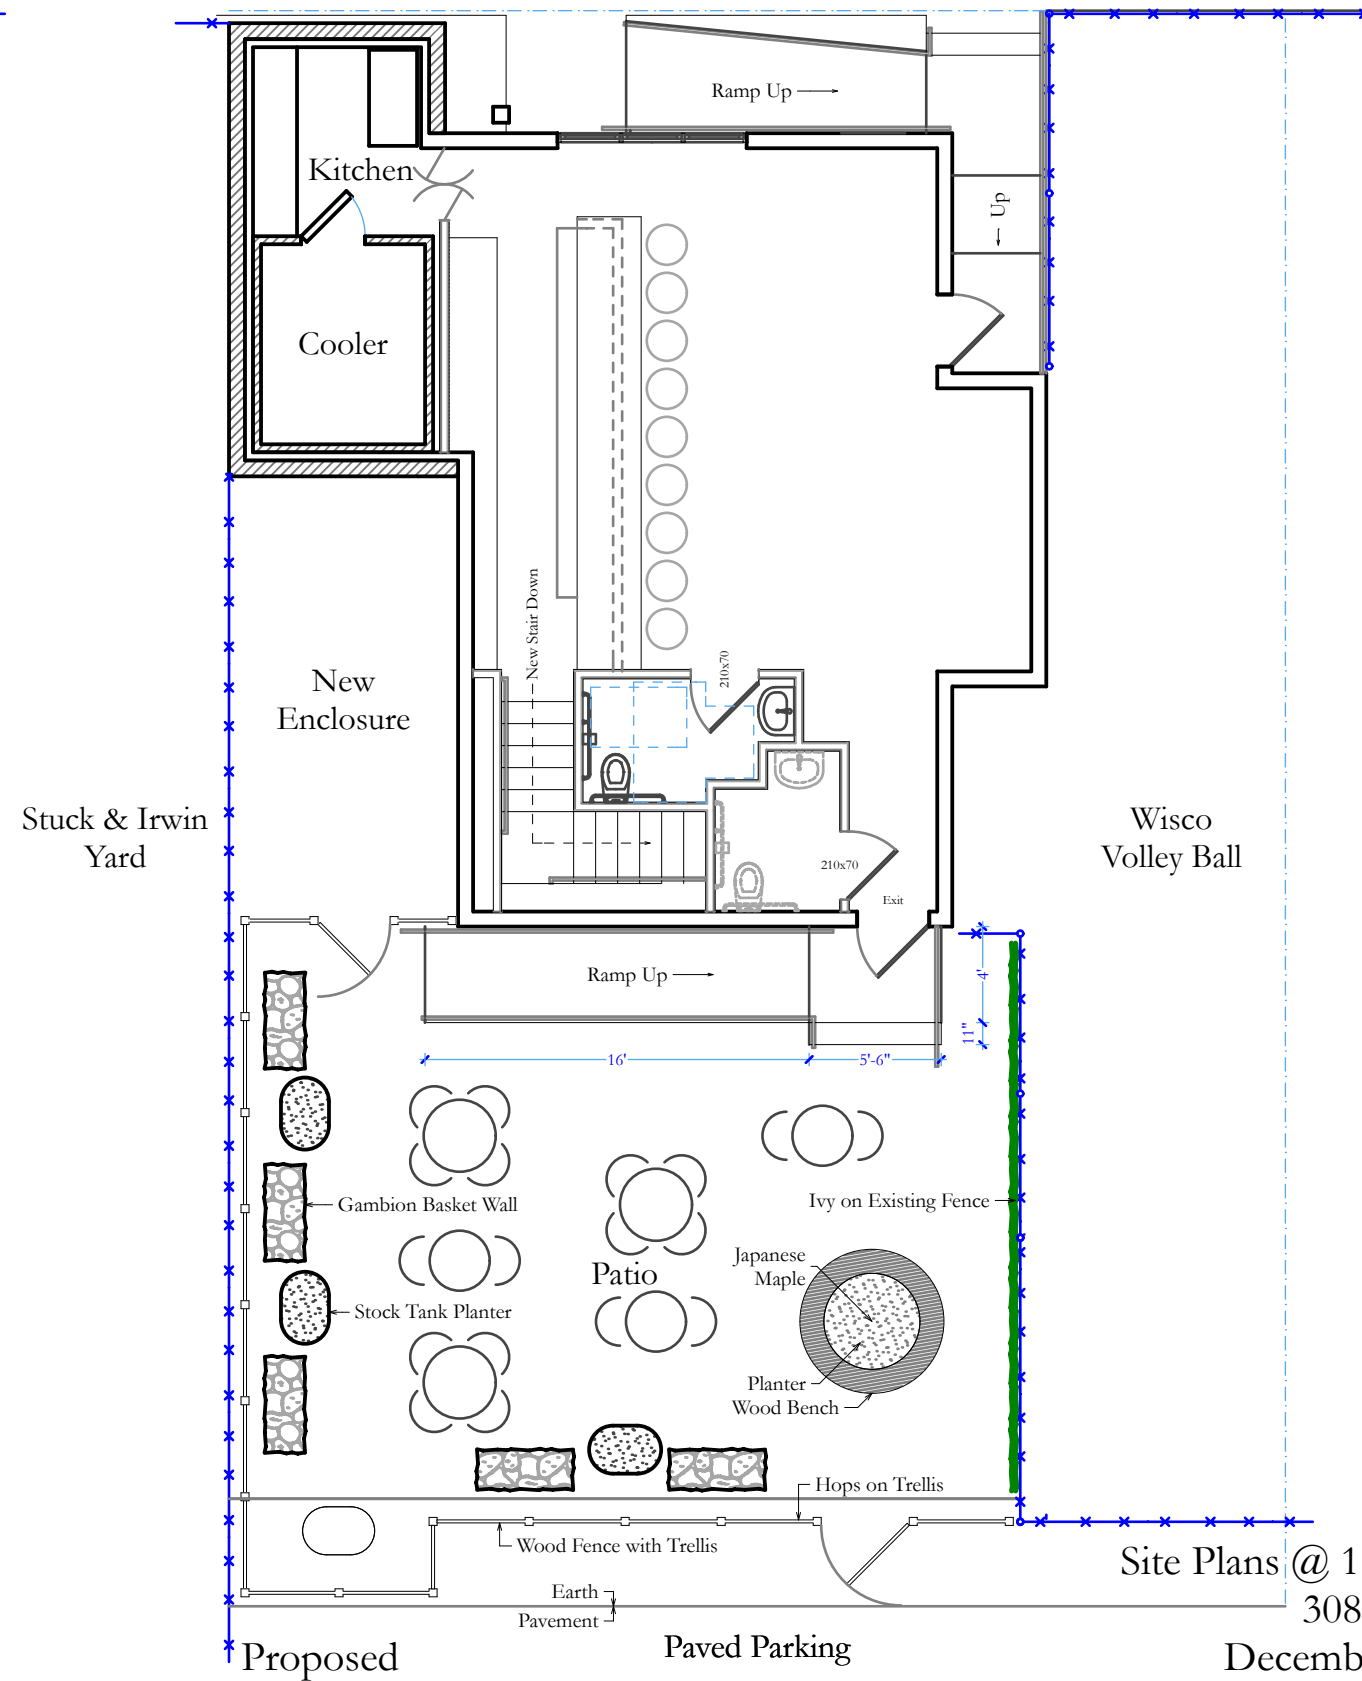

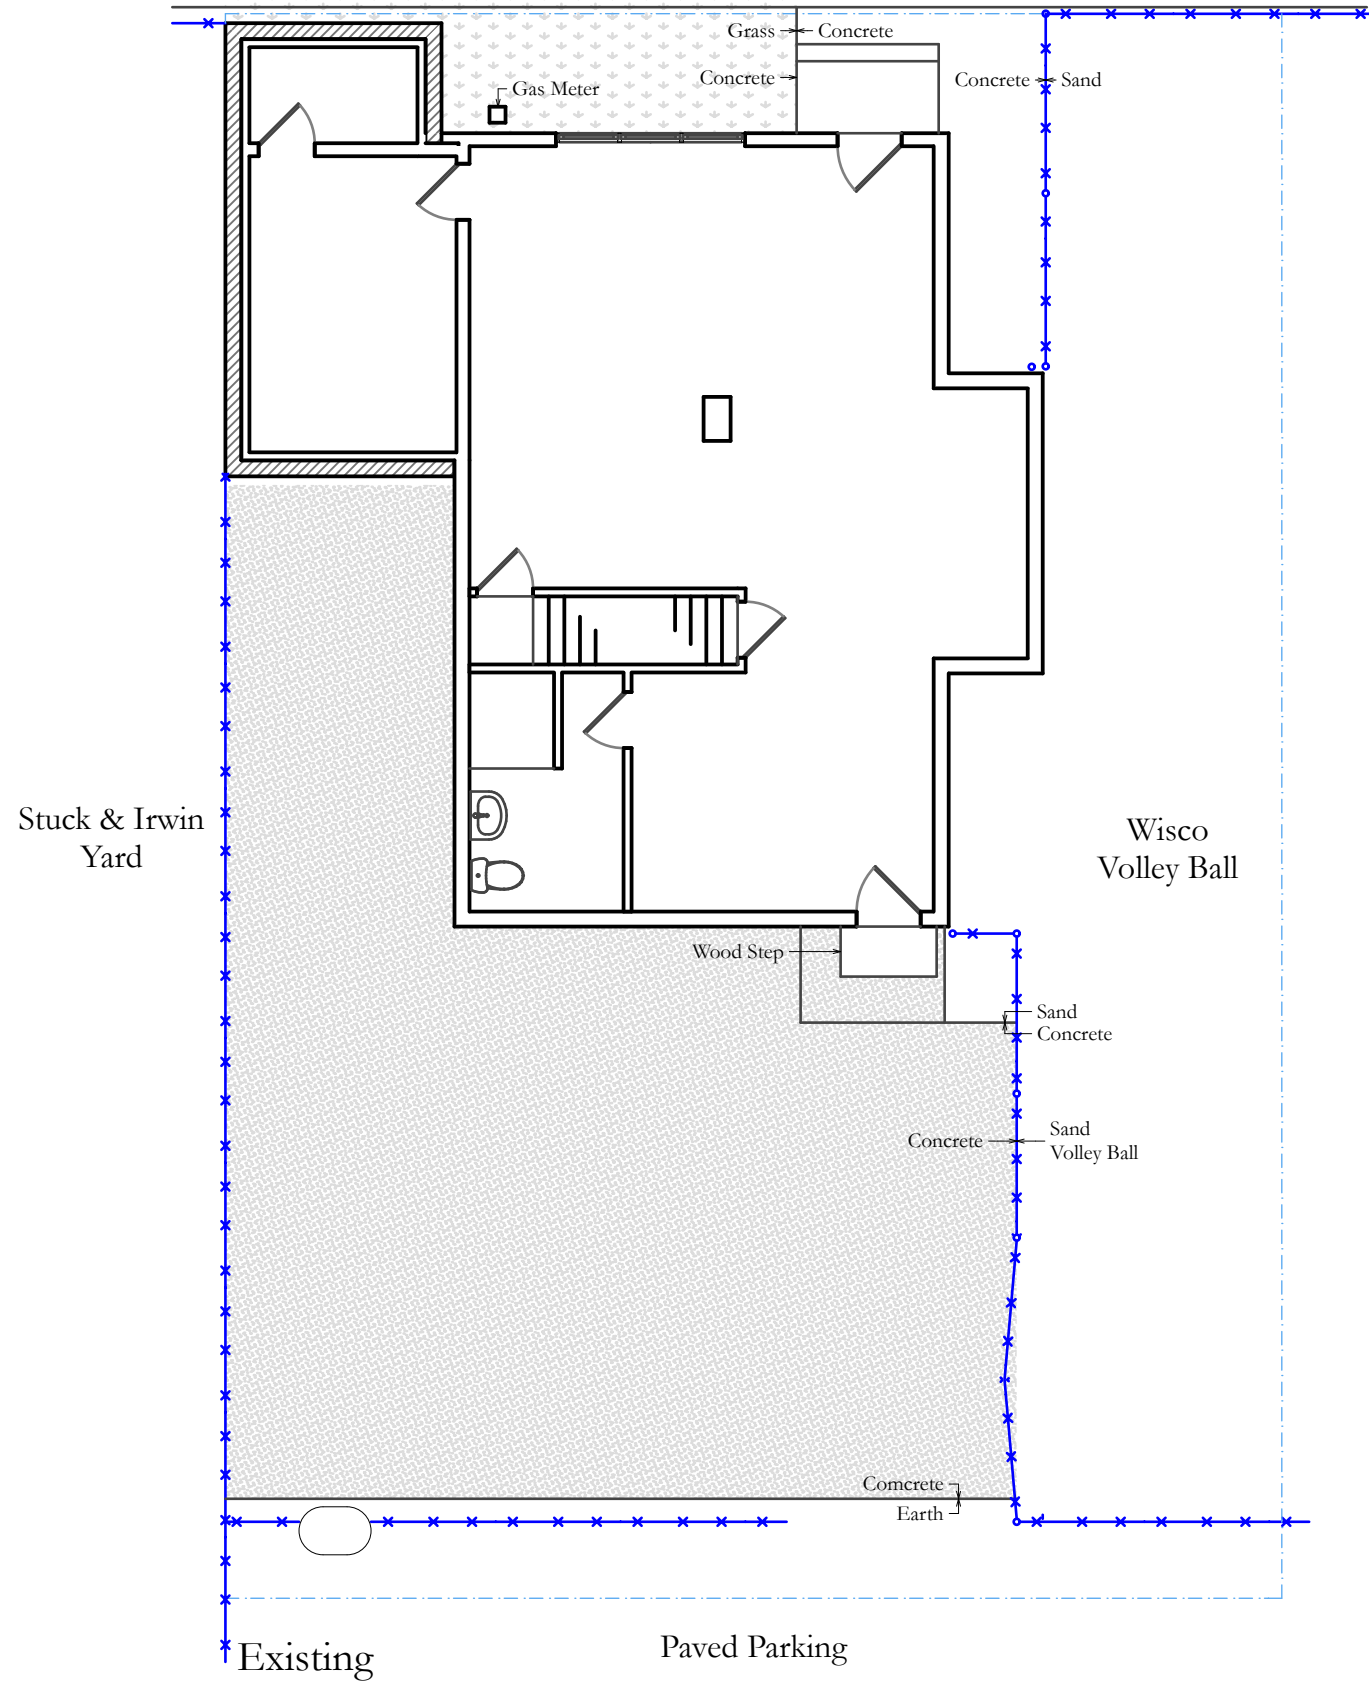

Regards,

Holly Alexander
