

REGARDING THE CRITERIA OF REASONABLENESS AND BENEFIT

This report was prepared and submitted to satisfy the requirements that the City is required to show that the assessments will benefit the properties assessed in the Meadowlands Phase 1 & 2 Assessment District as per a recent Wisconsin State Supreme Court Decision (*Berkvam vs. The City of Glendale*, 79 Wis, 2d 279.255 NW 251 (1979)).

Criteria of Reasonableness

It is the opinion of this office that the assessments are, in fact, reasonable. The assessments have been calculated in accordance with the Madison General Ordinances Section 4.09 for assessing costs for street improvements. The cost of the improvements have been assessed to the various parcels based on lot size and zoning.

The Properties Against which the Assessments are proposed are Benefited as follows:

This improvement consists of the installation of street lights, which will promote and enhance the general welfare and safety of people and property in this neighborhood.
