# ART & FUN FOR EVERYONE!

## General Public (Age 16+)

Get a group together, grab a friend or two, or just sign yourself up for a fun night out. Public classes are great for date night, anniversaries, girls' night out, and tapping into your individual creativity. Check our calendar.

## Family/Kids (Children Ages 6 -15)

Add a splash of color to your family outings while painting a Picasso or other colorful classics with your children. Kids learn about the artist and get to exhibit their masterpieces. Arté is a fun way to celebrate kids and tween birthday parties, earn Girl Scout badges, and experience an enjoyable day out with the family. Join us on Saturday mornings for family classes.
