Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

**76501** Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Mendota Grassman Greenway. This project will re-grade and restore approximately 2,500 linear feet of channel and lower and increase the size of culverts on University Avenue and Camelot Drive. The total estimated cost of the project is \$4,276,660. (AD19)

This project will require a WDNR NOI Erosion Control permit and a City of Madison Erosion Control Permit with weekly self-inspection. This project will also require a WDNR Chapter 30 and USACOE permit.

Prepared by Greg Fries, City Engineering 03/02/2023
