Subject: Emerick -- 9624 Old Sauk Road

The Emerick's will go along with staff's alternative CSM and related staff comments.

We would like to be on the consent agenda if possible.

One neighbor may show up, not to speak on the CSM, but to complain about the existing Old Sauk Road/Cricket Lane intersection. Ms. Emerick has suggested to that neighbor that it would be more appropriate that he contact engineering/traffic engineering.

Again, we would like to be on the consent agenda if possible. (Not looking forward to sitting behind the three public hearings in front of us.)

Thank you.
