Comments

- 1) Our house is already very close to the street/sidewalk
- 2) This is not an area you can squeeze more into.
- 3) Plan will reduce value of our home
- 4) Side walk will be very close to house
- 5) People walking by all night & some are very noisy.
- 6) One of our turnaround parking spots will be taken
- 7) This is a major safety issue. We have 2 cars, and when 1 is in turnaround, second one will have to back out onto Monona Drive, or onto side walk to turn around.
- 8) Safety issue for us and bikers and pedestrians with us backing out across both paths.
