

Whole Foods Market Madison, WI

Business Plan

Whole Foods Market is a dynamic leader in the quality food business. WFM is a purpose-driven company that aims to set standards of excellence for food retailers. We serve and support a local experience. The unique character of each store is a direct reflection of a community's people, culture, and cuisine. We celebrate and strengthen each community through employment, investment in local non-profits and a conscious commitment to our local producers.

WFM Madison's alcohol program will focus on off premise package sales. On premise alcohol service will initially be limited to special events, such as wine and cheese tasting events.
