RE: Approval of a demolition permit at **449 Toepfer Avenue** to demolish a single-family residence for the purpose of constructing a new single-family residence.

Dear Mr. Wanta:

At its October 1, 2012 meeting, the Plan Commission, meeting in regular session, approved your client's request for a demolition permit to raze a a single-family residence for the purpose of constructing a new single-family residence at 449 Toepfer Avenue. In order to receive final approval of the demolition permit and for permits to be issued, the following conditions must be met:

Please contact Janet Dailey, City Engineering Division, at 261-9688 if you have questions regarding the following three (3) items:

1. The applicant shall close all abandoned driveways and restore the terrace with grass.
2. All damage to the pavement on Toepfer Avenue and Birch Avenue adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link:
<http://www.cityofmadison.com/engineering/patchingCriteria.cfm>
3. The applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction.
4. Prior to approval of the application, the owner shall obtain a permit to plug each existing sanitary sewer lateral that serves a building that is proposed for demolition. For each lateral to be plugged the owner shall deposit \$1,000 with the City Engineer in two separate checks in the following amounts: (1). \$100 non-refundable deposit for the cost of inspection of the plugging by City staff; and (2). \$900 for the cost of City crews to perform the plugging. If the owner elects to complete the plugging of a lateral by private contractor and the plugging is inspected and approved by the City Engineer, the \$900 fee shall be refunded to the owner. This permit application is available on line at
<http://www.cityofmadison.com/engineering/permits.cfm>.

Please contact Pat Anderson, Assistant Zoning Administrator, at 266-5978 if you have any questions regarding the following four (4) items:

5. Setbacks in the original plans do not conform to R2 standards. These have been corrected in the provided supplemental plan. Final sign-off plans shall include the revised setbacks and be consistent with R2 standards.
6. Provide a reuse/recycling plan, to be reviewed and approved by The City's Recycling Coordinator, Mr. George Dreckmann, prior to a demolition permits being issued.
7. Sec 28.12(12)(e) of the Madison Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.
8. Existing driveway to be removed and street entrance closed to Birch Avenue as per City Engineering & Traffic Engineering requirements, the vacated driveway shall be landscaped and seeded to minimize erosion, the new driveway shall have a maximum width of 22 feet at the right of way.

Please contact Bill Sullivan, Madison Fire Department, at 261-9658 if you have any questions regarding the following two (2) items:

9. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and SPS 382.40(3)(e). Additional information is available at the Home Fire Sprinkler Coalition website: <http://www.homefiresprinkler.org/Consumer/ConsHome.html>
10. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities (608) 246-4587.

No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.

Approval of plans for this project does not include any approval to prune, remove or plant trees in the public right-of-way. Permission for such activities must be obtained from the City Forester, 266-4816.

Please now follow the procedures listed below for obtaining your demolition permit:

1. Please revise your plans per the above and submit eight (8) copies of a complete plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off.
2. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility. City Engineering staff will review plans for compliance. Please note, this property is not in a Wellhead Protection District. The Madison Water Utility shall be notified to remove the water meter prior to demolition.
3. A reuse and recycling plan approved by the Recycling Coordinator is required by ordinance prior to the issuance of a wrecking permit. The reuse and recycling plan shall be submitted along with the resubmittal of site plans for forwarding to the Recycling Coordinator.

- 4. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition permit approval.

If you have any questions regarding obtaining your demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
