Hello Eric Christianson - As a resident of the Bay Creek neighborhood, I am writing to register my opposition to the liquor license request by Kate at 402 W Lakeside St. A nice family neighborhood does not need or want a bar. No good can come of a bar located near the south side and downtown too.

Kate has been operating the coffee shop like a bar (actually installing a bar) since the last time she got an expanded liquor license.

Please oppose.

Thank you for listening,
Lisa Fike
