Addendum

On June 12, 2023 Planning staff met with then West Police District Captain to discuss the proposed restaurant-nightclub.

The Madison Police Department recommends the following condition of approval:

“The applicant shall submit a management plan to include specific security measures designed to mitigate the potential for patrons to be on the premises unlawfully and to manage any unruly behavior that may arise during performances. This plan shall be approved by the MPD District Captain (or designee) prior to sign-off and implementation of the conditional use and the conditional use shall be operated in accordance to this plan.”

No other changes to conditions/comments the Amended Planning Division Staff Report 6/12/2023 report are recommended at this time.
