

To whom it may concern,

My name is Erin Eagleman and I live at 509 S Paterson Street. I'm writing to let you know my opinion of the smell emanating from That BBQ Joint on the corner of Williamson and Paterson. In a nutshell, we don't like it at all. I can't quite explain how odd and off-putting it is to smell smoked meat at all times of the day.

I hope the ALRC will work to benefit the greater good in our neighborhood by halting That BBQ Joint's liquor license renewal. I hope you can encourage them to work to eliminate the smoked meat odor they produce and to cease running their ventilation fan all hours of the day.

Thank you for your time and for your efforts.

Kind regards,
Erin Eagleman
