
INTEROFFICE MEMORANDUM

TO: TRANSIT AND PARKING COMMISSION
FROM: ADA TRANSIT SUBCOMMITTEE
SUBJECT: MOTION REFERRED – PARATRANSIT FARES
DATE: 5/18/09

At the May 18, 2009 ADA Transit Subcommittee to the Transit and Parking Commission meeting, a motion was made as follows:

Mr. Bill Tangney moved to refer to the Transit and Parking Commission that they request a proposal for a single paratransit fare that has a revenue neutral impact on the budget for 2010, and that the proposal would include a specific fare. Ms. Mary Jacobs seconded. The motion passed by voice vote/other.

Currently Metro paratransit has a peak and an off-peak fare depending on the time the ride is taken. ADATS is interested in exploring a single fare system.
