Amy Scanlon

City of Madison Planning Division 215 Martin Luther King Jr. Blvd., Suite LL100 Madison, WI 53701-2985

Dear Ms. Scanlon,

We would like to request that the windows on the first floor of our property at 1108 Jenifer St. be approved for replacement. We have been receiving complaints from the tenants over many years regarding their efficiency and we have done all that we can to make them more efficient including re-siding the property and adding storm windows, but unfortunately the windows are beyond our budget to save. Ropes are broken, wood is rotted, and leaded paint make these windows a money pit to maintain. We would like to replace them with vinyl windows with low-e gas.

We WILL NOT be touching the lovely leaded glass windows on the property, only the windows that have no architectural features that can be viewed from the outside.

Sincerely,

Deloris K. Warren
