

McKenna Blvd and Elver Park Flood Mitigation

OVERVIEW OF GREENTREE LANDFILL AND AREAS IN PARK EDGE/PARK RIDGE WITH FLOODING ISSUES

FLOODING IN GREENTREE LANDFILL

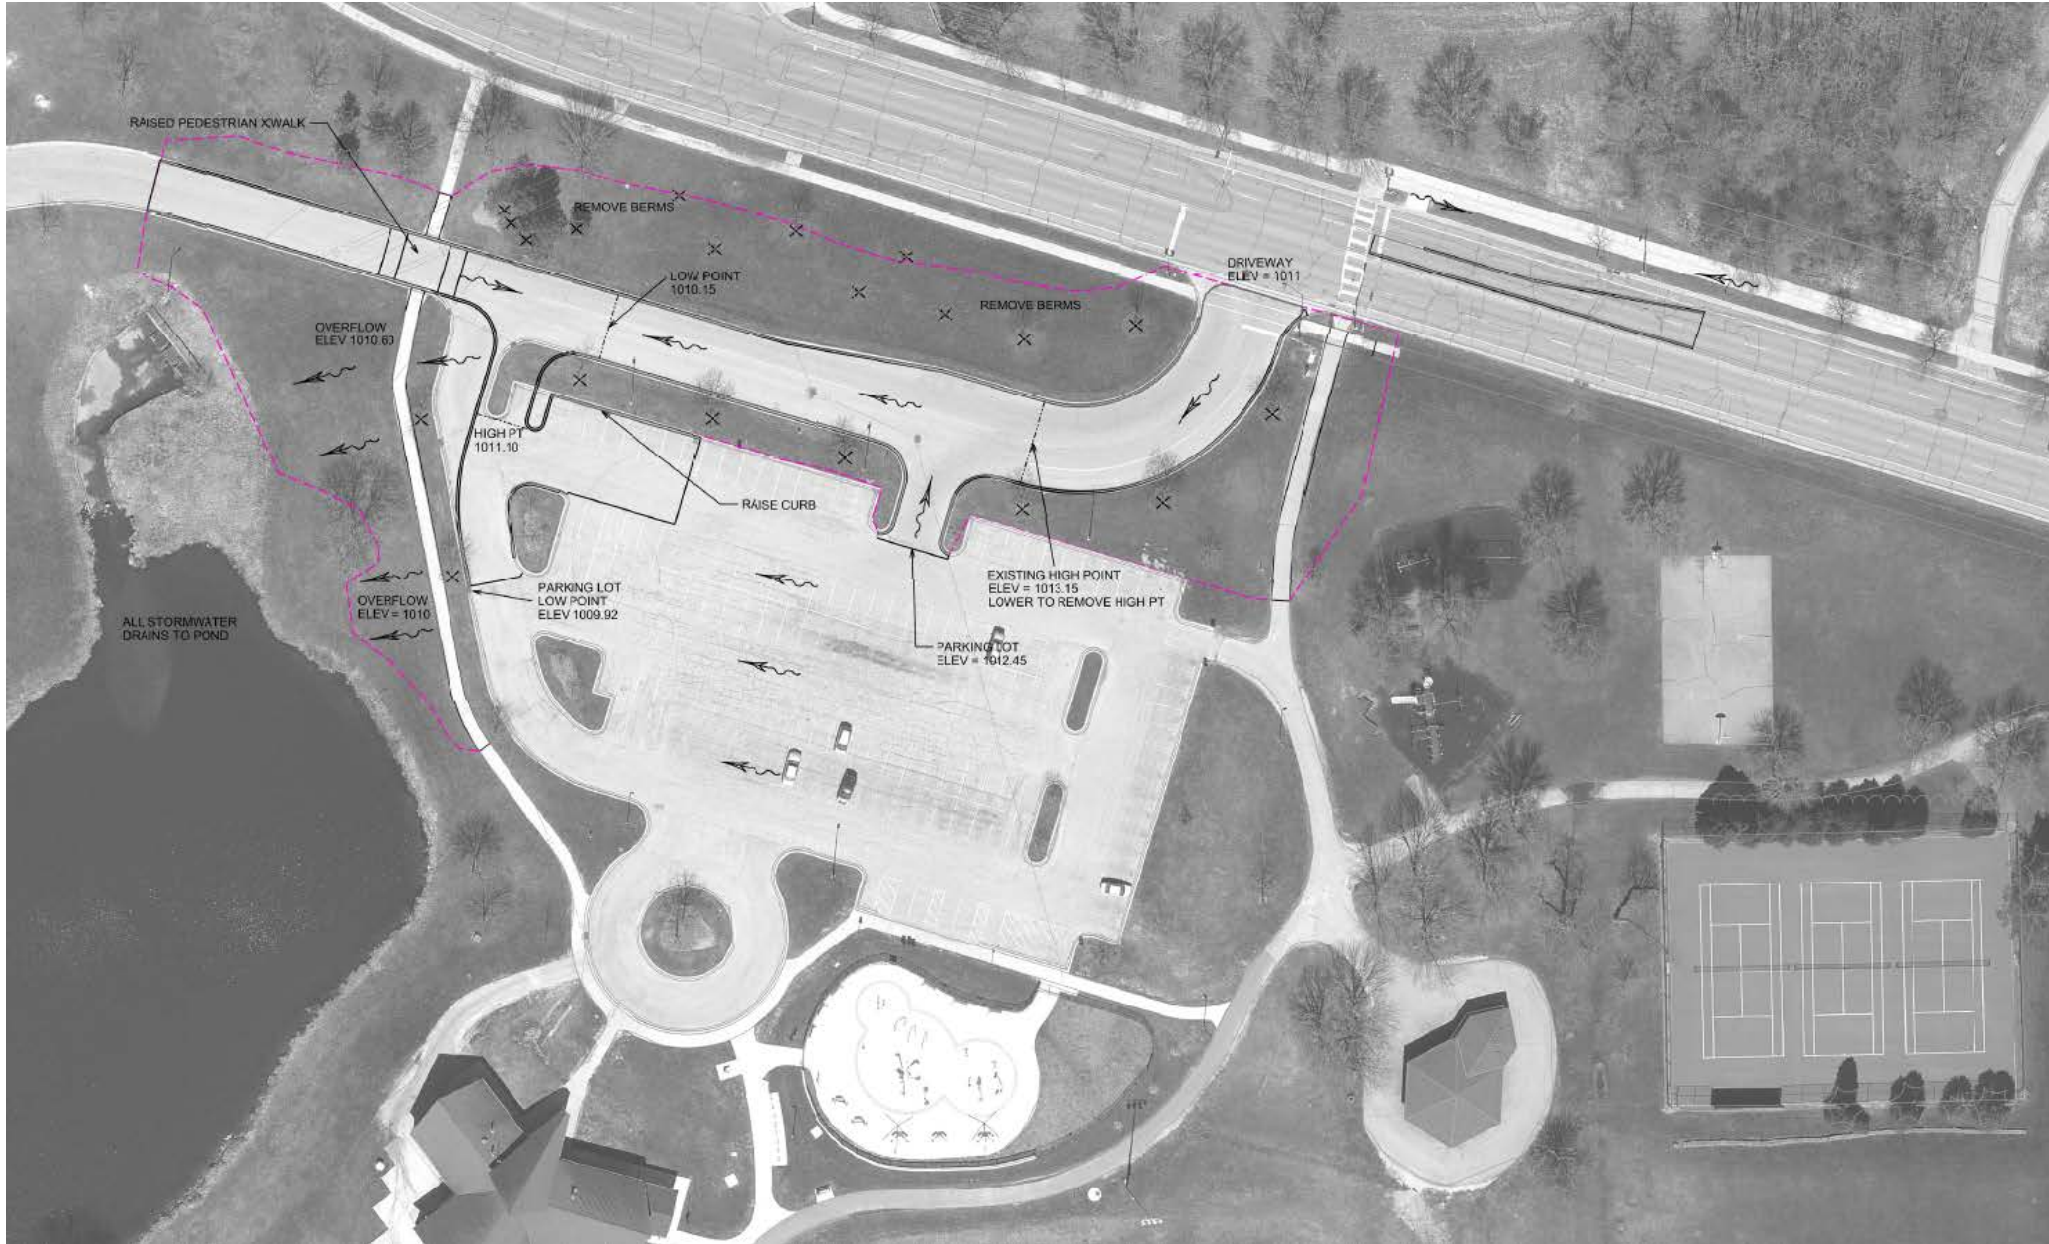

PROPERTY FLOODING AT 11 FALMOUTH CT

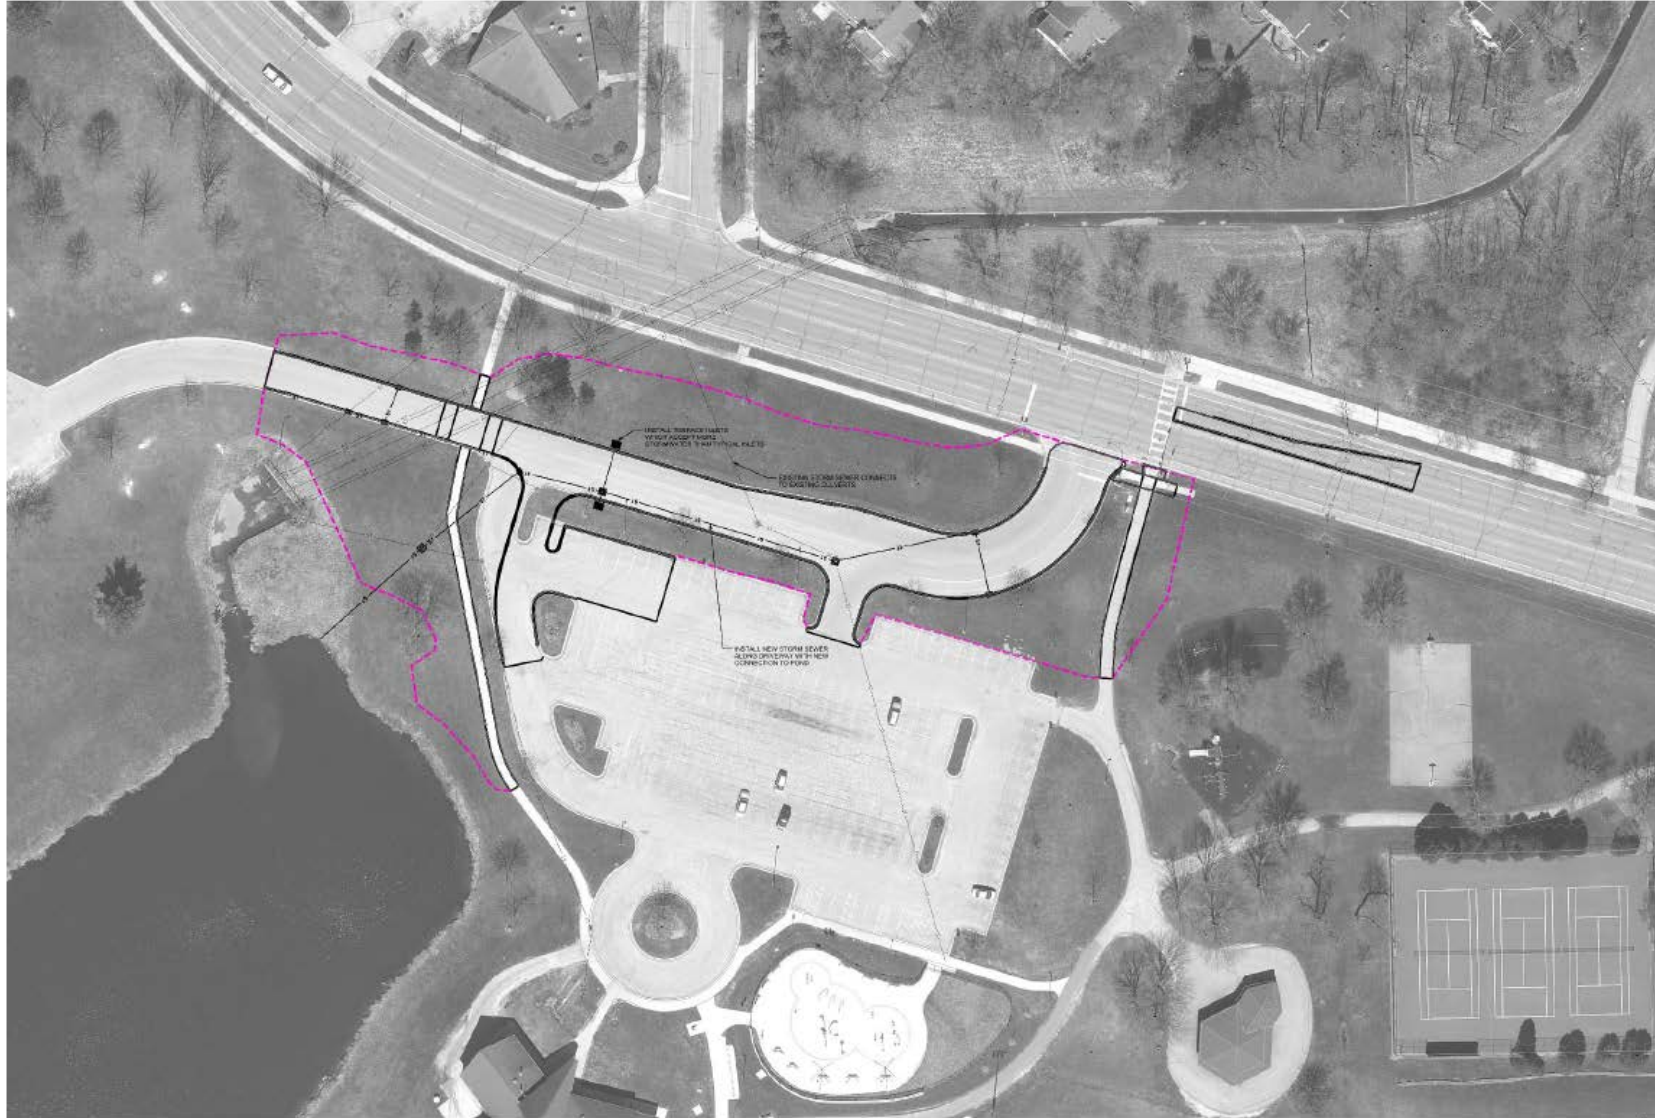

EXISTING ENTRANCE TO ELVER PARK

PROPOSED WORK IN ELVER PARKING LOT

PROPOSED WORK IN ELVER PARK, CON'T

- Existing storm sewer along driveway connects to culverts
- Install new storm sewer with direct connection to pond
- Install terrace inlets at new low point, which can accept more water

PROPOSED WORK IN ELVER PARK, CON'T

- Considering option to install up to 5 additional box culverts across McKenna Blvd
- Complete hydraulic modeling to determine feasibility
- Higher expense
