Dear ALRC,

I OPPOSE the following agenda items:

Agenda #14, Filing #51141 – Luckys 1313 request to increase outside capacity to 82 and add an outside service bar.

Agenda #19, Filing #51142 – Luckys 1313 request to increase the use of the banquet room by combining it with the brew pub bar (i.e. increase the overall capacity of the brew pub bar).

I also oppose the volleyball courts. I think the utter lack of respect for neighbors and other businesses is a huge red flag. Lucky's has encouraged customers to ride the buses of both the Big 10 Pub and SCONNIEBAR to Kohl Center Events (then they don't have the expenses of the buses) . My fear is they will encourage patrons to park in our lots and walk over. That has been an issue on event nights also.

Thank You!

Billy Van Wie
