

I am writing in regards to the application by Brocach Irish pub to be heard by ALRC tomorrow. I am a resident in the Monroe St. neighborhood, and my family and I **STRONGLY SUPPORT** the opening of the pub in the 1800 block of Monroe St. I was ecstatic to hear that another excellent restaurant and bar would be moving to our neighborhood. I think that the opening of the restaurant will be an asset to our community, supporting both the economic development and sense of community in our neighborhood. I urge you to please look favorably on this application.

Thank you,
Kim Christensen
