RE: LNDSCM-2025-00021; Legistar ID 88559 – Certified Survey Map – 3565 Tulane Avenue

Dear Adam Watkins:

Your one-lot certified survey of property located at 3565 Tulane Avenue, Section 9, Township 07N, Range 10E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned PD(GDP-SIP) (Planned Development-General Development Plan-Specific Implementation Plan district). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

**Please contact Brenda Stanley of the City Engineering Division at 261-9127 if you have questions regarding the following four (4) items:**

1. Enter into a City / Developer agreement for the required infrastructure improvements. Agreement to be executed prior to sign off. Allow 4-6 weeks to obtain agreement. Contact City Engineering to schedule the development and approval of the plans and the agreement. (MGO 16.23(9)c)
2. Construct sidewalk, terrace, curb, gutter, and pavement to a plan approved by the City Engineer.
3. Madison Metropolitan Sewerage District (MMSD) charges are due and payable prior to Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Mark Moder (608-261-9250) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff. (MGO 16.23(9)(d)(4))
4. A minimum of two (2) working days prior to requesting City Engineering signoff on the plat/csm contact either Tim Troester (West) at 261-1995 ([ttroester@cityofmadison.com](mailto:ttroester@cityofmadison.com)) or Brenda Stanley (East) at 608-261-9127 ([bstanley@cityofmadison.com](mailto:bstanley@cityofmadison.com)) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service and must be cleared prior to the land division (and subsequent obsolesces of the existing parcel). (POLICY)

**Please contact Jeff Quamme of the City Engineering Division–Mapping Section at 266-4097 if you have questions regarding the following five (5) items:**

5. The Public Service Strip within this CSM shown and noted per Lake View Place shall be released by separate document prepared by City Office of Real Estate Services. Contact Jeff Quamme of Engineering Mapping (jrquamme@cityofmadison.com, 608-266-4097) to coordinate the Real Estate project, and associated information and fees required. The release of the easement is necessary for the proposed redevelopment of this site. If the release is completed prior to recording of the CSM, acknowledgement of the release and document number shall be noted on the face of the CSM. Applicant is responsible to obtain releases from the other utility companies serving this area prior to the City releasing its rights.
6. Clearly label on the building lines on the CSM and place a note on the CSM: The “Building Lines” shown and noted on this Certified Survey Map are the “Building Lines” as shown and denoted on Lake View Place. The Building Lines were not noted as a restriction on that plat as required by a public body and also the plat does not name a public body as a grantee, promise or beneficiary. Therefore the “Building Lines” are not specifically enforceable by the City of Madison.
7. Provide distances between all monuments along the boundary of the CSM. Also draw chords for the two corner curves.
8. For the north quarter corner of Section 9, there is not a manhole at this location. The monument is in a monument box. Confirm the conditions at this corner location.
9. This Certified Survey Map application for this property shall be completed and recorded with the Dane County Register of Deeds (ROD), the new parcel data created by the Assessor's Office and the parcel data available to zoning and building inspection staff prior to issuance of building permits for new construction or early start permit.

**Please contact Sean Malloy of the Traffic Engineering Division at 266-5987 if you have questions regarding the following one (1) item:**

10. The applicant shall dedicate Right of Way or grant a Public Sidewalk Easement for and be responsible for the construction of a minimum five (5)-foot wide sidewalk, eight (8)-foot terrace, and additional one (1) foot for maintenance, where applicable, along their site's frontage of Hargrove Street.

**Please contact Morgan Mathews of the Parks Division at 266-6517 if you have questions regarding the following three (3) items:**

11. Park Impact Fees (comprised of the Park Infrastructure Impact Fee, per MGO Sec. 20.08(2)), and Park-Land Impact Fees, per MGO Sec. 16.23(6)(f) and 20.08(2) will be required for all new residential development associated with this project. This development is within the East Park-Infrastructure Impact Fee district. The Park Impact Fee ID# for this project is 25038. Visit <https://www.cityofmadison.com/parks/about/impactFees.cfm> for information about Park Impact Fee rates, calculations, and payment process.
12. The following note should be included on the CSM: “LOTS WITHIN THIS SUBDIVISION ARE SUBJECT TO IMPACT FEES THAT ARE DUE AND PAYABLE AT THE TIME BUILDING PERMIT(S) ARE ISSUED.”

13. The Parks Division shall be required to sign off on this CSM.

**Please note that the City's Office of Real Estate Services is reviewing the report of title provided with this survey and may have comments. That office will send any comments separately. If you have any questions, please contact Heidi Radlinger at (608) 266-6558 for more information.**

14. Prior to approval sign-off by the Office of Real Estate Services, the Owner's Certificate on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a).

15. Per 236.21(3) Wis. Stats. and MGO Section 16.23(5)(g)(1), the property owner shall pay all real estate taxes that may become due prior to CSM recording. Receipts from the City of Madison Treasurer are to be provided before or at the time of sign-off. Any special assessments shall also be paid in full pursuant to MGO Section 16.23(5)(g)1.

16. Pursuant to MGO Section 16.23(5)(g)(4), the owner shall furnish an updated title report to Heidi Radlinger ([hradlinger@cityofmadison.com](mailto:hradlinger@cityofmadison.com)), as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. The surveyor shall update the CSM with the most recent information reported in the title update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division was approved by the Common Council at its August 5, 2025 meeting.**

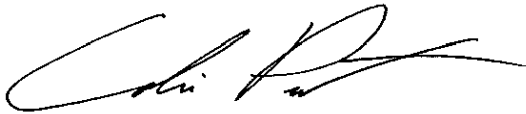

Prior to City Engineering final sign-off by the main office of the CSM, the final CSM shall be submitted to the Engineering Division Surveyor/ Land Records Coordinator for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division signoff. E-mail submittal of the final CSM in PDF form is preferred. Transmit to [jquamme@cityofmadison.com](mailto:jquamme@cityofmadison.com) and [cpunt@cityofmadison.com](mailto:cpunt@cityofmadison.com).

As soon as the comments and conditions have been satisfied, the original along with the revised Certified Survey Map, with all signatures and approvals from the reviewing agencies, shall be brought to this office for final signoff. You or your client may then record the certified survey at the Dane County Register of Deeds. For information on recording procedures and fees, contact the Register of Deeds at 266-4141.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.**

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,
