Amy,

Thank you for the letter about the Public Hearing on 517 S. Baldwin, and for the work you did online. It's very convenient for me to be able to pull this off of legistar.

As a nearby homeowner, I don't have any concerns about their plans. I don't imagine I have much say in the matter, but I kind of even like the silo if the immediate neighbors don't mind.

By the way, the letter was sent to 1246 Spaight St. I assume it was meant for the owners (my wife and me).

[REDACTED]

Can that be changed in the records?

Thank you,

Doug De Master
