Thanks Mary. The version of the code on line looks like it was last revised in 2008. Is there an up to date version, or can you point me to the ordinance that made these amendments?

Thanks again.

Mike -

I believe this is the language you requested.

9.27 IMPERMISSIBLE USE OF PUBLIC OFFICE. No county official or county employee shall use or attempt to use his or her public office or employment to influence or gain unlawful benefits, advantages or privileges, personally or for others. The use of county equipment and property including, but not limited to, county owned vehicles, cameras, projectors, audio systems, copy machines, fax machines, telephones and uniforms is prohibited for use for both partisan and non-partisan political activity. Use of county property which is available and accessible to the general public is not considered a violation of this ordinance.

Can someone email Mike May the recently revised ord section dealing with what candidates can do vis-a-vis campaign literature/video (appearing in uniform, using county buildings/equipment)?
