## **Business Plan - cuco s mexican restaurant**

### **The Company**

#### *Company History*

cucos mexican restaurant was identified in this location and after further research a decision was made to pursue this venture.e.g.

#### *Company Goals and Objectives*

in the next 12 months the company intends to open for busines and to implement a targeted advertasing campaign.the company anticipates 10 percent annual sales growth and at the end of five years the company anticipates gross sales 450,000annually.

#### *Company Ownership Structure*

cucos is owned by anita mosqueda as a incortporation. this business model was selected for tax reasons an for small business.

#### *Company Management Structure*

cucos is managed by anita mosqueda who is the owner.

#### *Management and Ownership Background*

anita mosqueda is the founding owner of cucos mex rest .anita mosqueda has worked for 15 years in the food industry.anita worked as a manager in cucos mexicans restaurant for the past two years. during this period she also completed a business management certificate at wisconsin restaurants association. also for lquor license.

#### *Organizational Timeline*

remodeling and renovations will begin febreury 1and will be completed by march 25.cucos will open for business on april 1.

#### *Company Assets*

cucos has purchased furnishings and store fixtures a resale value of \$20,000.

### **The Product**

#### *The Product*

the primary product for cuco's will be traditional mexicans entries such as burritos ,fajitas,tacos.cuco's will focus on hig quality ingredients to distinguish itself from typical fast food outlets.cuco's provide 20-23 tables for costumers to stay and relax and enjoy an unhurried meal.

#### *Product Patents*

cuco's holds exclusive rigts to use the business name cuco's.

#### *Future Products*

cuco's plans to open one or more new locations within the city a 10 year timeframe. menus will also be periodically to take advantage of current trends.

### **Marketing Plan**

### *The Target Market*

the target market for cuco's will be the large commercial district to east side in that location.

### *Location Analysis*

the location for cuco's is ideal to serve both the lunchtime crowds from the east side working district and is well positioned to serve the nearby evening theater traffic.

### *Established Customers*

although cuco's does not have an existing customer base, market analysis of the location and target market indicates that cuco's enjoy strong sales.

### *Pricing*

cuco's will set its pricing to be competitive within the market. with anticipated staffing requirements, inventory and rental costs, cuco's require average monthly sales of \$20,000 to break even.

### *Advertising*

cuco's will use news paper advertising in order to help grow its standing in the marketplace.

## **Competitor Analysis**

### *The Competitors*

there are not several restaurants in the immediate area. there is one wendys, danys.

### *Competitor Strategies*

competitors are targeting niche or specialty markets. cuco's can distinguish itself by environment combined good value.

## **SWOT Analysis (Strengths/Weaknesses/Opportunities/Threats)**

### *Strengths*

cuco's is conveniently located on a busy street with a large lunchtime customer base in a nearby commercial district as well a nearby residential district for evening dining. cuco's has assembled a highly qualified and motivated combination of owners and staff to ensure business success.

### *Weaknesses*

success of cuco's depends on providing consistent, friendly services. it is important that cuco's is able to retain quality staff. cuco's will develop and maintain human resources policies designed to find and retain good staff.

### *Opportunities*

if cuco's is successful in the current location then management will investigate opening another location within the city.

### *Threats*

fast food companies, this will all provide competition for cuco's. cuco's will compete with advertisements promoting a healthy menu choices.

## **Operations**

### *Daily Operations*

cuco's will open for lunch and dinner seven days per week.

### *Operational Facilities*

cuco's has selected a facility that provides 2604 square foot customer space with 75 feet of store front and a 500 square foot storeroom. the restaurant will have twenty three tables with seating for 80.

### *Staffing*

cuco's will employ three full-time waiters, one full-time busboys, two full-time chefs .

### *Suppliers*

cuco's has entered negotiations with several local food wholesalers for its produce and with a local bakery for its baked goods. meat products will be sourced from several local and regional wholesalers. cuco's is working to establish strong ties with local suppliers while also ensuring that a positive relationship exists with alternate suppliers order to minimize potential shortages.

### **Capital Requirements Plan**

#### *Capital Requirements*

cuco's requires \$ 20,000 to complete the expansion and renovation of the selected location .cuco,s requires \$ 10,000 to cover any additional expenses where initial demand fails meet the cost related to rent staffing and inventory.

#### *Capital Repayment Plan*

all debt obligations related to this ventura will be repaid within five years. capital contributed by the owner will be considered capital contributions and will not be repaid.
