Hi Sydney

Sorry for not clarifying our policy.

We do not allow nuisance barking. That includes fence barking and anything that persists for more than a minute or two. If it continues we remove the problem dog from the situation.

Same for bad behavior. The dog will be told to stop a few times then removed from situation if persists.

We have permanently removed dogs from our facility for aggressive play and continuous barking. It has not and will not be tolerated.

Thanks!

Tim
