P.O. Box 1762  
Madison, WI 53703

Dear Lorri:

This letter to you and the Madison Professional & Supervisory Employees Association (MPSEA) is to memorialize our agreement of August 21, 2009.

At that meeting we agreed that I would support and sponsor Ordinance Amendment **15285**, which eliminates the 1% pay reduction for Compensation Group 18 and 44 members who live outside of the City and which eliminates the Dane County restriction on residency. I will increase the copay for health insurance for Comp Group 18 and 44 members by \$5.00 per month in my proposed 2010 budget. I further agree not to propose another increase for the remaining one year of my current mayoral term and for another two years should I run and be reelected in 2011. Finally, before proposing any additional increase in the copay I will meet with MPSEA representatives and seek their input.

I appreciate the very business-like and thoughtful manner in which you approached this issue. I want you to know that I respect and appreciate the good work that MPSEA employees do for our city every day.

Sincerely,

David J. Cieslewicz  
Mayor
