Subject: John Patterson for Chief of Police!
Date: Thursday, August 21, 2025 4:57:33 PM

Hello,

I met John recently at a presentation he made at the Regent Neighborhood Association. I was impressed! I have been doing a lot of talking about candidates within our neighborhood and John Patterson's name has come up again and again for rising to the top of the pile. Although this is not a neighborhood endorsement, I wanted to share my personal view.

Thank you.
