- The home shall have hardwired, interconnected smoke alarms in all locations required by SPS 321.09.
- The locking hardware shall be arranged as a delayed egress with a local alarm if pressed and an allowable 30-second delay once the door hardware has been pressed for 1-3 seconds.
- MFD recommends the installation of a fire sprinkler system in accordance with NFPA 13D.
- The City of Madison Building & Fire Departments shall be notified of any changes in conditions and/or Aary finding other living arrangements. All locking hardware shall be removed if Aary moves out of the home.
