Dear Mayor,

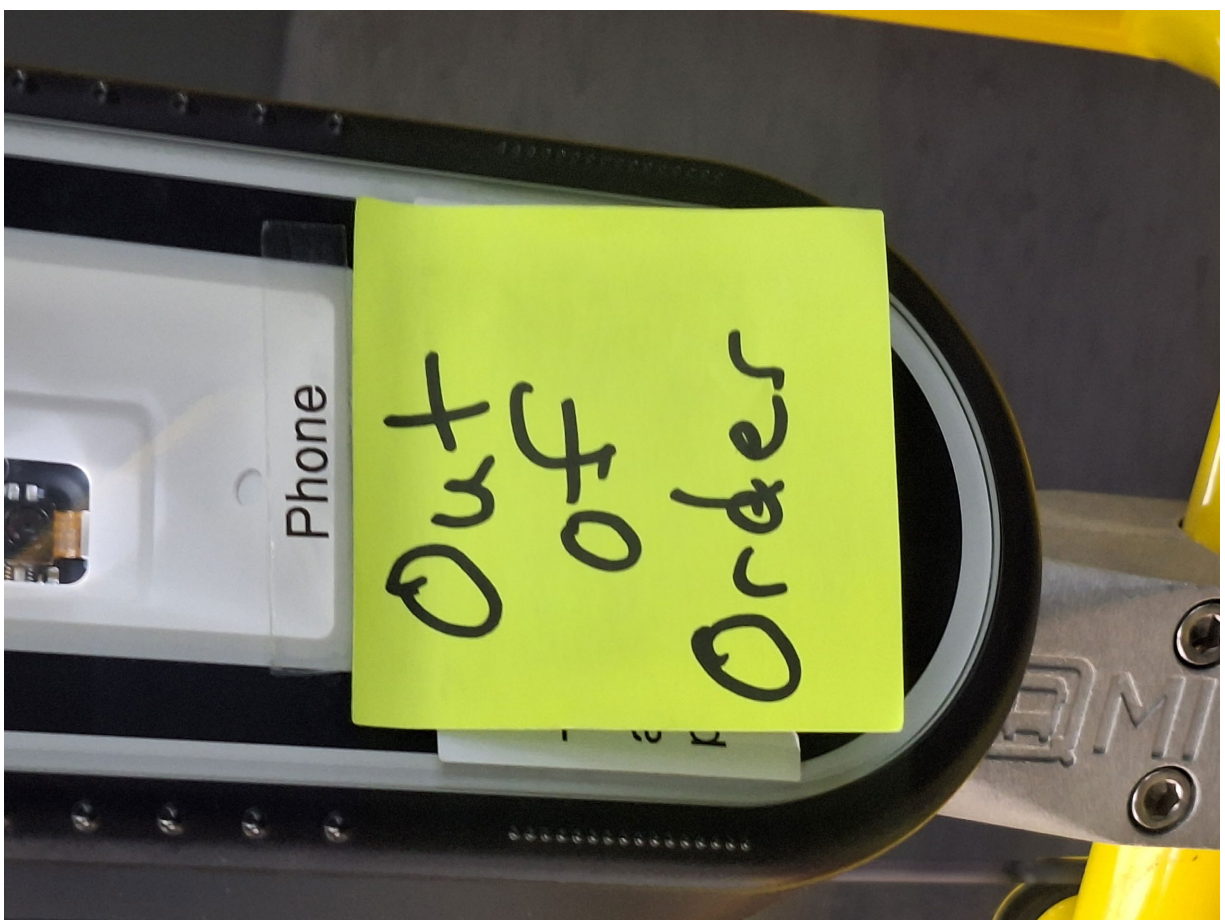

As a third generation Madison native I would like to take pride in my home town.

I am writing to report several issues regarding city transit and maintenance:

1. The sign in the 200 block of State Street is out. Pic below This is a highly traveled stop. These are new signs. Is there a warrenty?
2. The fare reader is broken on the buses. This results in a loss of revenue. Pic below.
3. The bus stop at Marquette Street is filthy and smells strongly of urine. Please, this requires deep cleaning. This is a reoccurring problem. City crews using only hot water and a strong sprayer aren't enough. Try using Tide detergent and scrub it with a broom, let it sit for 15 minutes, and then rinse. Or find the correct industrial based cleaner. The buses still speed down East Wash. Have any speeding tickets been issued?

Thank you for your attention to these matters.

Thank you.

Best Regards,

Mike Roach
